PROPERTY OVERVIEW

Marcus & Millichap is pleased to present Crossroads at Valley Ranch, a 100 percent occupied neighborhood retail center located in the heart of Valley Ranch, one of the most affluent and supply-constrained trade areas in the Dallas-Fort Worth Metroplex. The property is strategically positioned along North MacArthur Boulevard and benefits from a complementary mix of daily-needs, food-service, and service-oriented tenants that drive recurring customer traffic.

Ownership has significantly enhanced the asset through recent leasing activity, converting multiple tenants to triple-net lease structures, increasing rental rates, and completing meaningful capital improvements. The property is further supported by its proximity to Valley Ranch, Cypress Waters, Las Colinas, and DFW International Airport, providing access to a dense residential base, substantial daytime employment, and continued long-term growth.

- 4 New Leases Executed on NNN Terms
- 3 Leases Renewed, with Landlord Converting from Gross to NNN Terms and Improving to Market Rates

INVESTMENT HIGHLIGHTS

100% LEASED, STABILIZED ASSET

The property is a fully stabilized, 100% leased neighborhood retail center with all leases structured on NNN terms, providing durable cash flow and limited landlord responsibilities.

RECENT LEASING MOMENTUM & NNN CONVERSIONS

Ownership has executed four new leases and three renewals within the last 16 months, while converting several tenants from gross to NNN structures and improving rental rates, creating a more durable and efficient income stream with limited near-term leasing risk.

INFILL LOCATION WITH SIGNIFICANT BARRIERS TO ENTRY

Located in the heart of Valley Ranch, one of DFW's most established and supply-constrained trade areas. Limited available land and mature surrounding development create significant barriers to future competing retail construction.

HIGH-INCOME, MAJORITY-ASIAN TRADE AREA

Within one mile of the property, more than 51% of residents identify as Asian and average household income exceeds \$138,000, supporting strong demand for specialty food, restaurant, and service-oriented retail concepts.

DAILY-NEEDS & EXPERIENCE-BASED TENANCY

The center is leased to a complementary mix of food service, financial services, personal care, and neighborhood retail tenants that generate recurring customer visits and are less susceptible to e-commerce disruption.

LANDLORD HAS INVESTED IN PROPERTY IMPROVEMENTS

Recent property upgrades include exterior painting, installation of decorative lighting, landscaping/hardscaping, and a new grease trap.

HIGH-TRAFFIC NORTH MACARTHUR BLVD FRONTAGE

The site benefits from strong visibility and approximately 31,000 vehicles per day on North MacArthur Boulevard. The asset also has excellent connectivity to major regional highways.

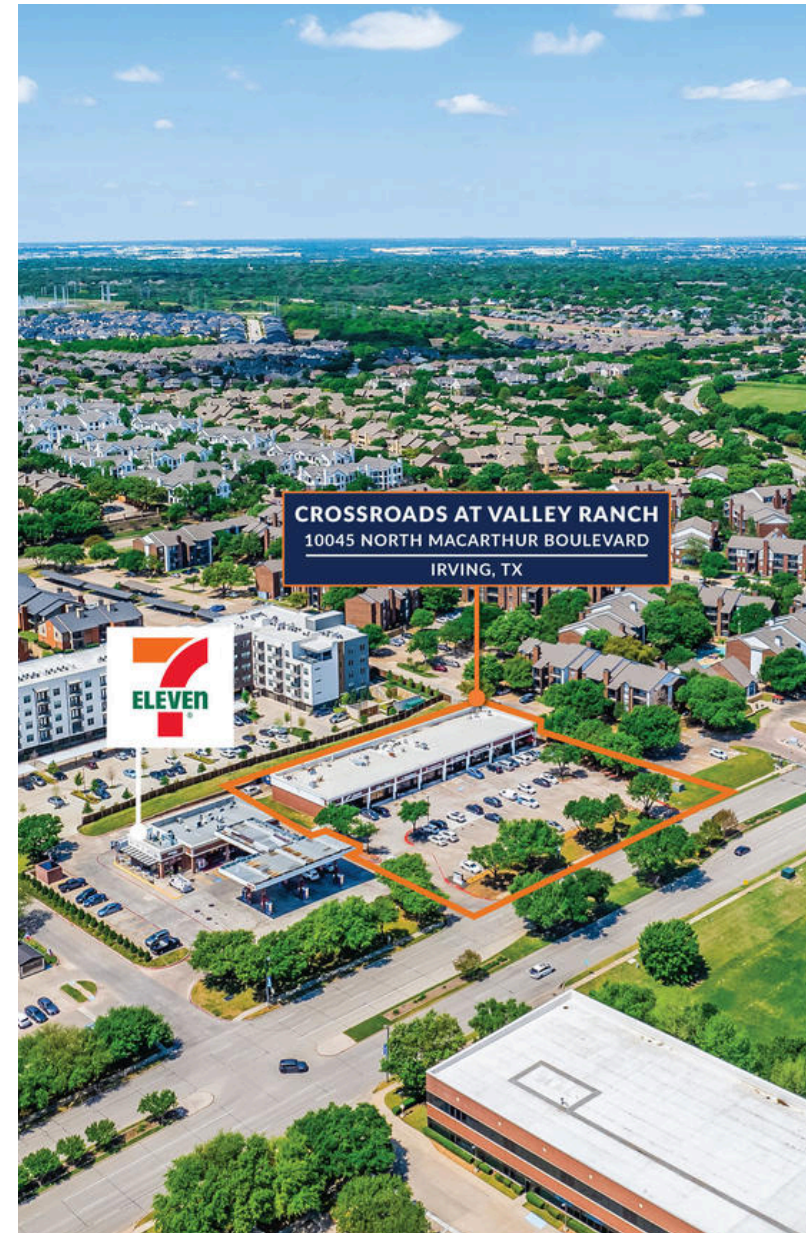

PROXIMITY TO CYPRESS WATERS MEGA-DEVELOPMENT

Cypress Waters is a \$3.5B, 1,000-acre mixed-use development within five miles, featuring 4.5M SF of office and retail, 10,000 residences, and 87 corporate tenants including 7-Eleven and Nokia, supporting a daytime workforce of 181,000+.

PROXIMITY TO DFW INTERNATIONAL AIRPORT

Located approximately 10 minutes from DFW International Airport, one of the largest employment and transportation hubs in the United States. In 2025, DFW hosted over 85.7 million passengers.

PROPERTY OVERVIEW

PROPERTY DESCRIPTION

Crossroads at Valley Ranch is a 100 percent occupied neighborhood retail center located within the highly desirable Valley Ranch trade area of Irving, Texas. The property consists of approximately 12,930 square feet situated on a 1.43-acre parcel and is leased to a diverse mix of food-service, financial services, personal care, and specialty retail tenants that generate recurring customer traffic and provide essential services to the surrounding residential and employment base.

The asset has benefited from substantial leasing and operational improvements, including four new leases, three renewals, multiple lease conversions from gross to triple-net structures, and meaningful increases in rental rates. Combined with recent capital improvements and a highly infill location with significant barriers to entry, the property offers investors stable in-place cash flow, strong tenant retention, and long-term exposure to the Valley Ranch, Cypress Waters, and Las Colinas corridor, one of the most dynamic growth and employment centers in North Texas.

LOCATION DESCRIPTION

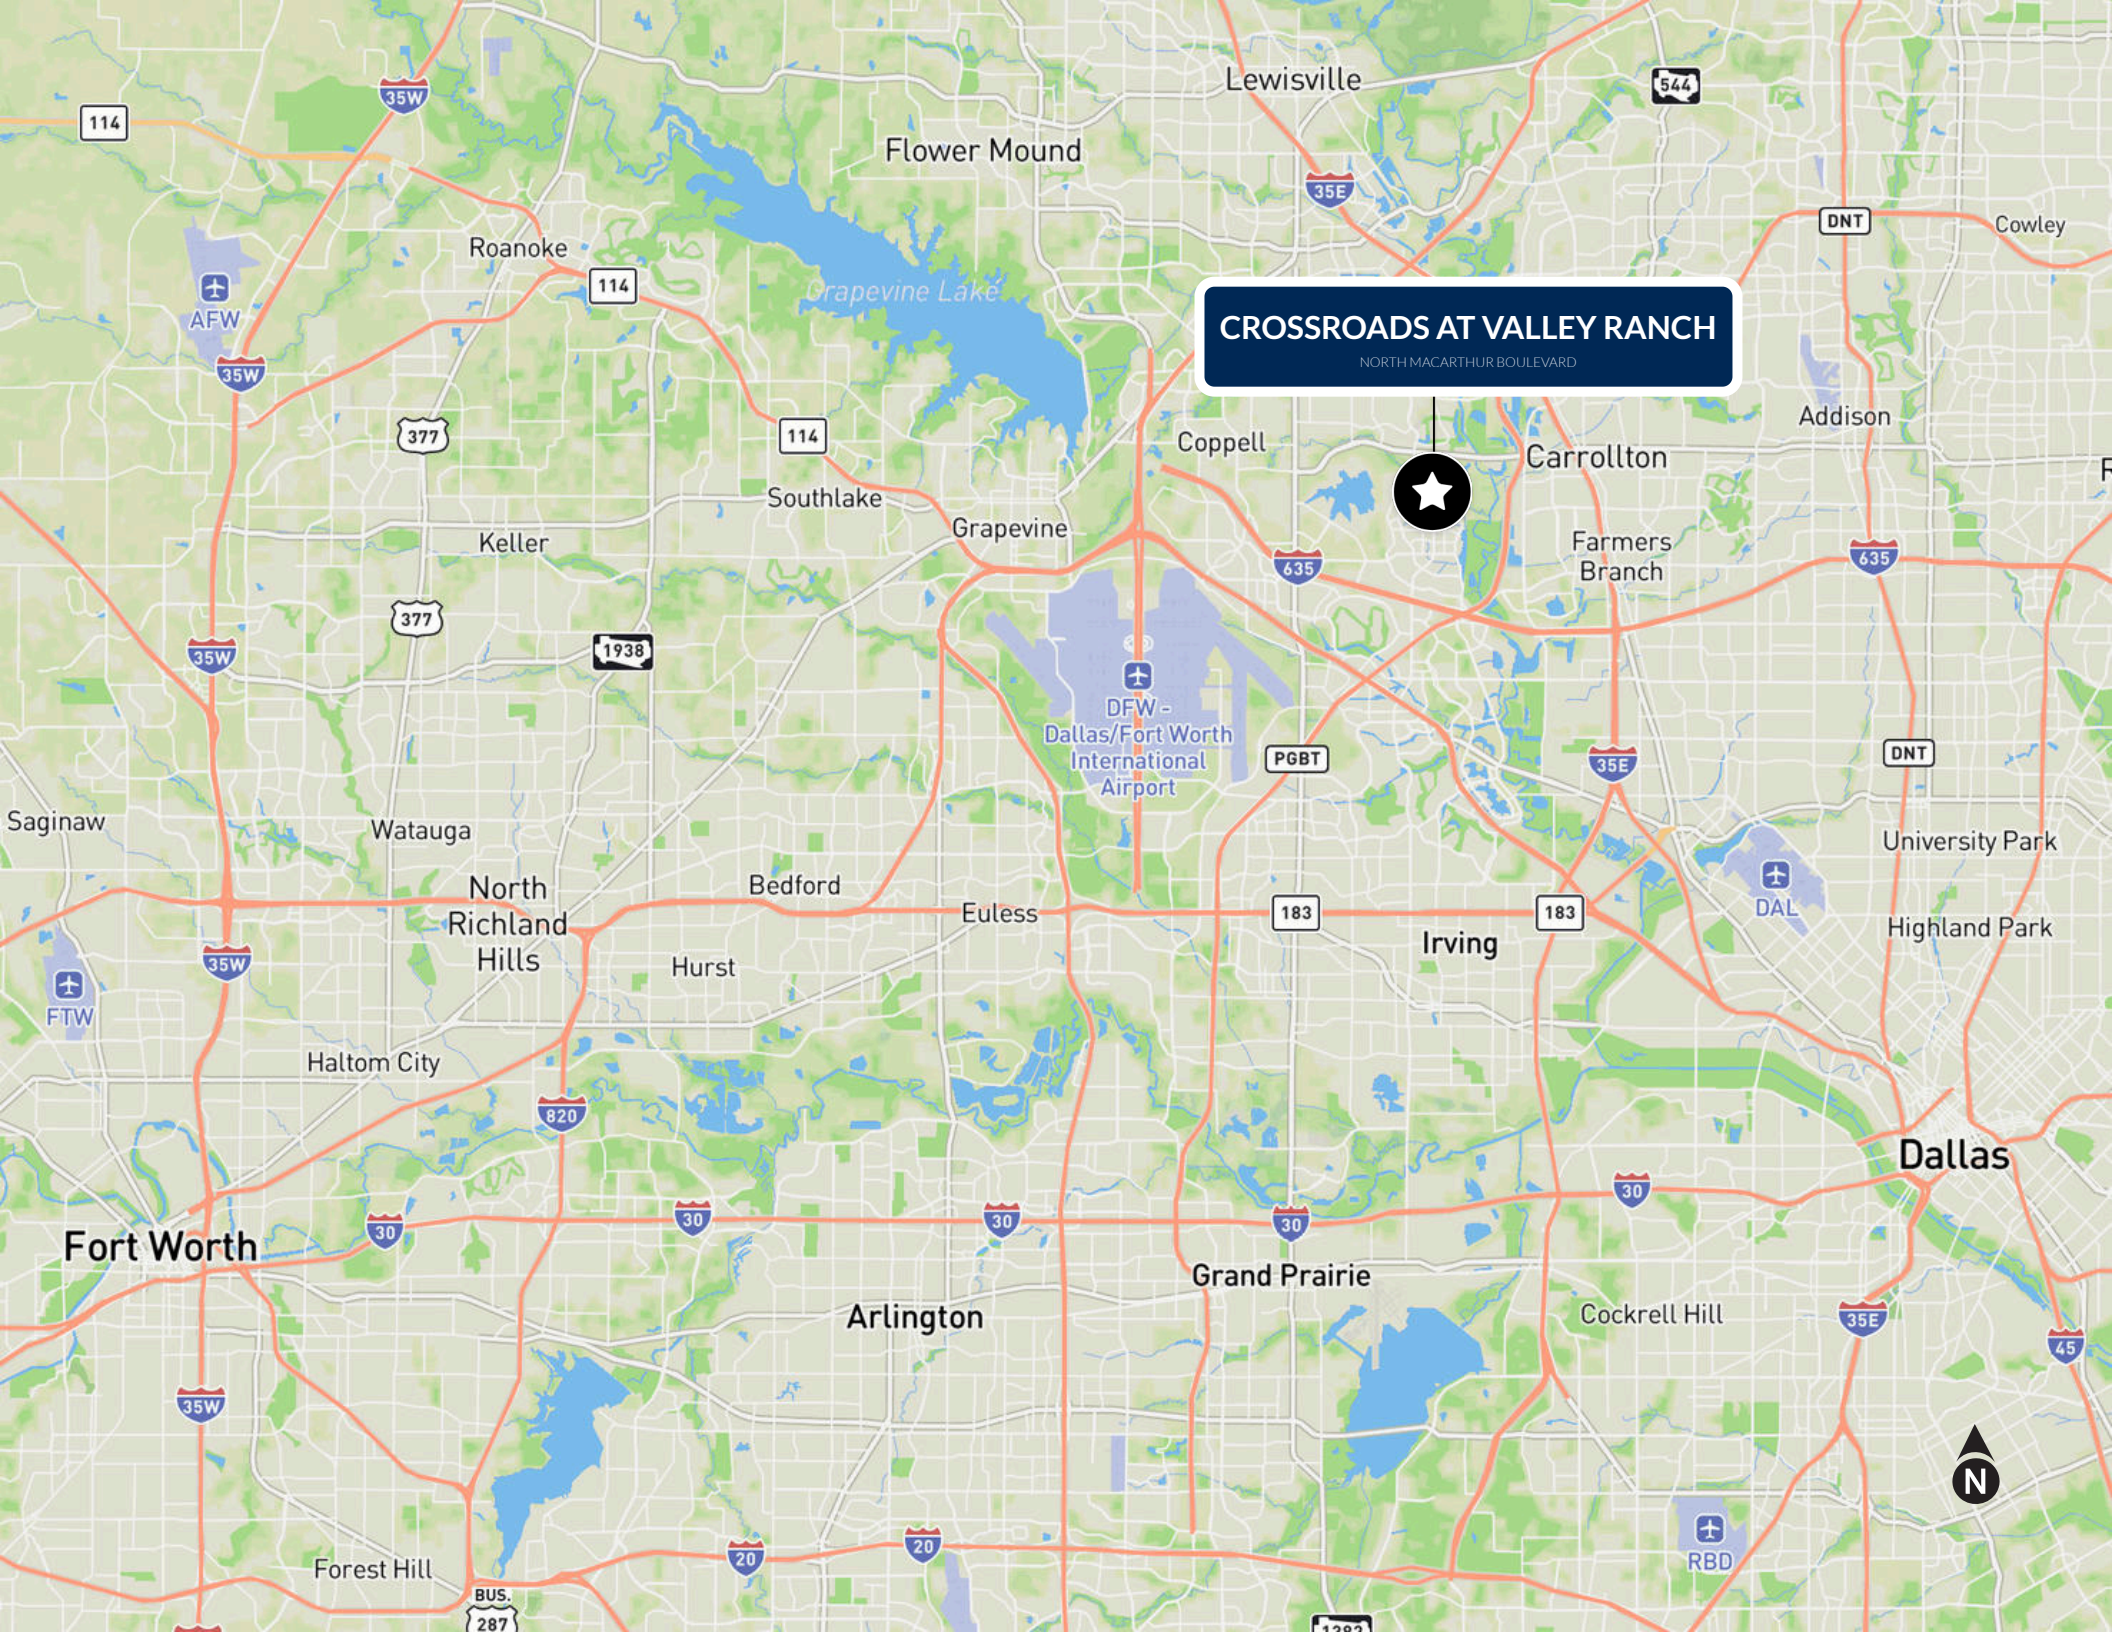

Crossroads at Valley Ranch is strategically located along North MacArthur Boulevard within Valley Ranch, one of the Dallas-Fort Worth Metroplex's most established and affluent master-planned communities. The 2,400-acre development features approximately 4,000 single-family homes, 22 multifamily communities, more than 120 local businesses, and an extensive network of canals, trails, parks, and open space, creating a highly desirable live-work-play environment that continues to attract affluent residents and sustained consumer spending. The property benefits from excellent visibility and accessibility along North MacArthur Boulevard, a major north-south thoroughfare carrying approximately 31,000 vehicles per day.

Beyond the immediate residential base, the center benefits from its proximity to several of North Texas' most significant employment hubs, including Cypress Waters, Las Colinas, and DFW International Airport. Cypress Waters alone encompasses more than 1,000 acres of mixed-use development with major corporate employers including 7-Eleven, Nokia, and Signet Jewelers. Combined with convenient access to I-635, SH-161, and President George Bush Turnpike, the property is positioned to benefit from both strong neighborhood demand and a substantial daytime workforce. DFW International Airport, one of the nation's largest employment and transportation hubs, is located less than ten minutes away, further strengthening the area's economic drivers and consumer demand.

The combination of affluent demographics, dense residential development, major employment centers, limited new retail supply, and exceptional transportation infrastructure creates a highly durable retail trade area that continues to attract tenants and support long-term rent growth.
